REPORTS

President's Report

RW: Forum?

2. Composite photos – spread the word! The times are the 29th and the 30th.
3. Food Services: I've talked about getting a cart from Miller (with Dean Chen). He's going to try to get something over here.
4. Bar passage rates – we're above the mean this year.
5. Graduation gowns – we're doing the more expensive gowns now.
6. As for the clinic in the spring – we're looking to hire someone permanently, so we don't know the theme yet. This spring, though, may be 5-6 students, according to Professor Smith. The only clients will be from legal aid and will be working on housing issues.

AB: Are they putting a 60 hour requirement on it?

RW: Not sure. I'm sure he'll be willing to take more 3Ls because it is their last semester.

AB: Those of us who transferred won't hit the 60 mark.

RW: It will happen when you hit the 60 hours.

RW: I want to appoint Barry Dunn to the ABA position tonight. Can I get an informal motion? (Motion made). Second? All in favor? Yes. Opposed? (Unanimous vote at 8:51).

Public Relations Chair's Report

RC: The people that are on the student of the month committee stay after and if you have nominations let me know. Next meeting we'll award the first student of the month award.

2. The BARBRI rep was enthusiastic about helping out with items like rooms, etc. She might want to come to a meeting.

RW: That would be a great idea. Have her let us know.

WC: How many nominations did you get?

RC: I have one formal nomination and I've had a bunch of informal nominations.

2L Reps Report

CD: Who is the professor for the clinic?

RW: Lars Smith. This is for our clinic. They're just hooking up with legal aid.

1L Reps Report

AP: I'm going to meet with the LBA to find out if there are any materials to get after the meeting next week.

BB: I have people who are adamant about the changes to the evening program. They've been bombarding me with statements. I don't know what's going on.

LC: We can set up a time to meet to get our bearings.

RW: Tell them to come to the forum on the 28th at 5:00 PM. After that, we can steer folks in the right direction. It's definitely being done away with. It's just a matter of whether you have issues. I'd like to hear what folks have to say about it.
